Career Services
 Job Search Assistance
 Alumni Program Benefits

NOTE: In order to continuously improve our programs, triOS College reserves the right to modify programs at any time. Program delivery order may vary depending on program start date. This diploma may not be available at all campuses. The program may have additional reading weeks, depending on start date.

ADMISSION REQUIREMENTS: High School Graduation Diploma or Mature Student Status (Mature students from Ontario must be at least 18 years of age by the program start date and successfully pass an academic achievement test. Mature students from other Canadian provinces must be at least 19 years of age and a minimum of 1 year out of high school by the program start date and successfully pass an academic achievement test. See Mature Student policy for more details.); demonstrated fluency in English (oral and written) and an Admissions Interview to determine suitability for a career as a Physiotherapy Assistant. All students enrolled in the Physiotherapy Assistant program must be in good general health, produce a "negative" (clear) police check and obtain a Medical Certificate (free of communicable disease with up to date immunization status). Hepatitis B immunization is strongly recommended. Individuals considering a career as a Physiotherapy Assistant should enjoy working with people, be compassionate, patient and possess the ability to listen, as well as being physically able to assist in patient lifts and support. You can find our key performance indicators (graduation rate, employment rate, etc.) at www.triOS.com/kpi. These are older statistics from 2013. triOS College is registered and approved as a Private Career College under the Private Career Colleges Act.

ACCREDITATION POLICY: Like all post-secondary institutions in Ontario, triOS College reserves the right to accept or deny advanced standing into its programs.
