---

Additional notes and admission requirements can be found on page 2.

**Admission requirements:** Canadian High School Graduation Diploma or Mature Student Status (Mature students from Ontario must be at least 18 years of age by the program start date and successfully pass an academic achievement test. Mature students from other Canadian provinces must be at least 19 years of age and a minimum of 1 year out of high school by the program start date and successfully pass an academic achievement test). Please contact us for more detail regarding admissions requirements for international students.

In addition, a two-part entrance examination must be successfully passed.

**Accreditation policy:** Like all post-secondary institutions in Ontario, triOS reserves the right to accept or deny advanced standing into its programs.

**Note:** In order to continuously improve our programs, triOS reserves the right to modify programs at any time. Each training day is 4 instructor-led hours. Order of program delivery varies depending on program start date.

You can find our key performance indicators (graduation rate, employment rate, etc.) at [www.triOS.com/kpi](http://www.triOS.com/kpi). These are older statistics from 2013.

triOS is registered and approved as a Private Career College under the Private Career Colleges Act, 2005.
