

COLLEGE POLICY

Policy No. & Title:	C-401 Admissions
Policy Sponsor:	Executive Vice-President
Reference Cmtee:	Policy & Procedure Committee
Effective:	2021-08-01
Next Review:	2024-07-31
Supersedes:	Admissions Assessments, Admissions Paperwork, Appeals Process – March 2016, International Student Admissions, International Students, OSD or equivalent, Wonderlic Testing

Purpose

To establish a framework within which the College may consistently and fairly conduct the process of selecting and admitting students to College programs.

Scope

This policy applies to all College employees, programs and the applicants to those programs.

Definitions

Admission Requirements: Specific academic or supplementary conditions for entry into a program. These may include, but are not limited to, secondary or post-secondary grades or grade-point average (GPA), standardized test scores, portfolios, good health, specific physical competencies, or criminal record check, depending on the program.

International Applicant: A prospective student who holds a student Visa from a foreign country.

Secondary School Diploma (SSD): A provincially recognized credential earned on successful completion of secondary school requirements as established by the Ministry/Department of Education in the respective province.

SSD Equivalent: A secondary school graduation diploma, such as the General Education Diploma (GED), from another jurisdiction, or documentation as determined by the College that supports the applicant's claim of having completed the learning outcomes of a SSD.

Recognized Assessment Service: A third-party validation service that establishes equivalency of an applicant's international academic credential to a domestic credential.

POLICY

Principles:

- The College assesses applicants against established criteria that indicate the likelihood of success in achieving the educational goal(s) of the applicant.
- The criteria are objective, measurable and relevant to the program.
- Admission is determined by the College's assessment of an applicant's demonstrated skills, as appropriate to the program.
- An assessment of demonstrated skills may be based on supplementary testing or evaluation, as determined by the College.
- Applicants who meet the minimum admission requirements for a program will be provided admission.
 - The College reserves the right to suspend a program. In this context, meeting minimum admission requirements for a program does not guarantee an offer of admission to that program.
- The College supports Diversity, Inclusion and Belonging, and therefore invites applications from *all* individuals and encourages applicants with any accommodation requirements to self-identify at the time of application.

College Admission

- 1) Applicants must first meet College-level admission requirements. Normally, the minimum admission requirement is a High School Diploma or Secondary-School Diploma (SSD), or equivalent, from the provincial jurisdiction of the College campus where the program is offered.
- 2) Only the following are considered as equivalent to a High School Diploma or Secondary-School Diploma (SSD):
 - a) A secondary school graduation diploma or complete transcripts from any Canadian province or territory or from the United States.
 - b) An Adult High-School Diploma issued by a Canadian province or territory.
 - c) A General Education Development (GED) certificate issued by a Canadian province or territory or from the United States.
 - d) A transcript, diploma, or certificate from another country, assessed at a provincially equivalent SSD level by a recognized assessment service.
 - e) A Canadian or US post-secondary diploma or degree granted by a publicly funded college or university.
 - f) A non-Canadian post-secondary diploma or degree that has been assessed as equivalent to a Canadian postsecondary diploma or degree by a recognized assessment service.
 - g) A certificate of completion for a provincial academic upgrading program that is accepted by a publicly funded college for entry into a post-secondary program (Basic Skills Level IV, Basic Training and Skills Development Level IV).
 - h) A Certificate of Apprenticeship or Certificate of Qualification in any trade from a Canadian jurisdiction.
- 3) The College will only accept assessments of international academic credentials from

recognized assessment services who are members of the Alliance of Credential Evaluation Services of Canada (ACESC).

- 4) If an applicant *cannot* produce their SSD or equivalent, as defined in Section 2 above, the College will use a Wonderlic Assessment.

Mature Student Admission (Eastern College – New Brunswick)

- 5) Applicants who have not completed a high school diploma or equivalent may apply as a mature student provided the following conditions are met:
 - a) The applicant is at least 19 years of age at the time of the program start date.
 - b) The applicant has been out of high school for a minimum of one year.
 - c) The applicant presents an official copy of grades for the highest level of education attained.
 - d) The applicant provides a personal letter of intent that includes previous
 - e) employment/educational experience and indicates why they believe their skills and aptitudes will make them successful in the intended program of study.
 - f) The applicant successfully completes a standardized assessment test at a level approved by the College.
 - g) Specific program prerequisites must also be met. (Please refer to individual program outlines.) The admission requirements for each diploma program are stated in the registration information provided to the New Brunswick Department of Post-Secondary Education, Training and Labour.

Mature Student Admission (Eastern College – Nova Scotia)

- 6) Applicants who have not completed a high school diploma or equivalent may apply to Eastern College under the following conditions:
 - a) The applicant successfully completes a standardized assessment test at a level approved by the College.
 - b) Specific program pre-requisites must also be met. (Please refer to individual program outlines.) The admission requirements for each diploma program are stated in the registration information provided to the Nova Scotia Department of Labour and Advanced Education.

Program Admission

- 7) Applicants must next meet Program-level admission requirements. Based on an applicant's program of interest, they will complete a program assessment to ensure they meet program admission requirements:
 - a) Program admission requirements may include, at the College's discretion, a Wonderlic Assessment
- 8) Only Program Administrators or Administrative Assistants may administer Admission Assessment tests.

International Applicant Admission

- 9) All international applicants must meet the following additional admission requirements:
 - a) Must be at least 18*.

- b) Must have a valid (not expired) student Visa at program start**.
- c) Must have a passport.
- d) Expiry date on the passport must not be before the end date of the program***.
- e) Applicants who are not Canadian citizens, permanent residents, or protected persons and who do not have a student Visa only may enroll in a program that is less than six (6) months (26 weeks) long.

* Applicants under the age of 18 are not eligible to write the Wonderlic assessment, and must provide SSD equivalency documentation.

** If an applicant has applied to renew their student visa, they must show proof that the renewal has been done (either a copy of the application form or a receipt showing that they have paid the renewal fee).

*** Applicants must present their actual passport to be viewed by a College staff member, at a College campus, prior to starting their program.

Offer of Admission

- 10) If the applicant meets both the College- and Program-level admission requirements, an offer of admission will be provided.

Denied Admission

- 11) If the applicant does not meet either the College- or Program-level admission requirements, the application will be denied admission
- 12) An applicant cannot appeal a denied admission if they did not meet the admission requirements.
