### **Purpose**

Students get the most value from taking a complete College program with a full curriculum that allows them to graduate with a recognized diploma. However, on occasion a student may require specific training. This will require a custom contract and schedule.

Within this context, this policy establishes the guidelines and expectations for the creation of custom contracts.

### **Scope**

This policy applies to all College students, employees, delivery partners, affiliates, volunteers, and contractors.

### **Definitions**

n/a

### **POLICY**

- 1) The College strongly recommends students take complete programs. Recognizing there are exceptions based on prior learning, funding body restrictions, or other such factors, custom contracts may be created.
- 2) The College shall ensure no “custom courses” exceed \$1000 or more than 40 hours (when using the standard enrolment contract).
- 3) The College shall not issue contracts over \$1,000 for any student who pays any sum on their own.
- 4) A “custom course” exceeding \$1000 may be sold to WSIB using a third-party contract, if:
  - a) The third-party agency pays for the full cost and the student pays nothing, and
  - b) Payment comes directly from the third-party and not via the student.
- 5) One “certificate contract” may be generated for a custom WSIB third party funded student. There is no limit to the dollar value or hours.
- 6) Any student taking a custom program shall receive a custom schedule.
- 7) Any student taking a custom program shall not receive a College diploma. They may only receive a College certificate and transcript.
