POLICY

- 1) Students shall receive assistance from the Career Services department in preparation for the student's job search.
- 2) Students must successfully complete either the Career Management course or the Career Planning and Preparation course (depending on the student's program).
- 3) The Career Services department will assist students during their time in school and for a limited period, as determined solely by the College, post-program completion.
- 4) The College shall not continue to assist students with their job search indefinitely.
- 5) Students who are financially incomplete when they complete their program of study are still entitled to assistance in their job search from Career Services.
- 6) Students who are academically incomplete will not receive Career Services job search support until the student has successfully completed their program of study.

Career Services Waiver

- 7) Students who decide they do not wish to receive Career Services assistance from the College in securing employment after completing their studies are required to sign a waiver to said effect.
- 8) Students may sign the waiver at any time during their program of study declaring they do not require the support of Career Services.
- 9) The signed waiver shall be retained in the student file once it has been signed by both parties and reviewed by the Campus Director.
